TO ALL MEDIA

FOR IMMEDIATE RELEASE

DATE: 30 SEPTEMBER 2024

NAMC IS NOT IN A PARTNERSHIP WITH TIGER AGRICULTURE AND MULTI – PURPOSE COOPERATIVE LIMITED

Despite issuance of a media statement dated, 07 June 2024 warning members of the public to be wary and circumspect about the unauthorised usage of the National Agricultural Marketing Council (NAMC) logo by the organisation that identifies itself as Tiger Agriculture and Multi – Purpose Cooperative Limited on their marketing or promotional materials, we continued to be inundated with calls and emails asking for clarity about the NAMC association with the organisation concerned.

Tiger Agriculture and Multi – Purpose Cooperative Limited has been illegally and fraudulently using NAMC logo to attract gullible members of the public to subscribe to their services or attend their events.

It seems the organisation continues to use the NAMC logo fraudulently and hoodwink people by claiming that they are in a working partnership with NAMC. The indication is that unsuspecting and gullible members of the public are subscribing to their services based on the purported partnership with NAMC.

NAMC would like to state categorically and unambiguously that it does not know the organisation called Tiger Agriculture and Multi – Purpose Cooperative Limited and furthermore, we reiterate that have never met this organisation before

NAMC warns members of the public about these shenanigans and distances itself from Tiger Agriculture and Multi – Purpose Cooperative Limited and its activities.

NAMC is a government institution, and we will not allow our integrity and good reputation to be undermined by such unscrupulous activities.

Information or partnerships involving NAMC can be verified by sending a query to info@namc.co.za or by calling **012 341 1115** during business hours.
