## CELLAR ASSISTANTS INFORMATION DAY

**21 JUNE 2022**  
T U E S D A Y

**8:00 - 13:00**

**CAVALLI ESTATE,  
STELLENBOSCH**

Winetech will host a comprehensive information day in 2022 and a broad range of topics will give participants the opportunity to increase their knowledge on different levels.

The information day will take place on the morning of 21 June 2022 at the Cavalli Estate, Stellenbosch. Well-known viti- and uiniculturists Lucinda Heyns, Karien O’Kennedy, Elzette Du Preez and Lida Malandra will present the programme in English and Afrikaans.

### THE TOPICS INCLUDE:

- Climate Change – What does it entail and how can we be prepared;
- Why do we make the choices in the cellar we do;
- Different methods to cold stabilize wines;
- Factors influencing wine aroma.

An independent, registered social worker will do a presentation about responsible conflict management.
